Scots [skots], o **scotese**, alicun vices anque appellate *Lowland Scots* ("scotese del basse terra") o *Lallans*, es un lingua germanic, un varietate linguistic con origines in le dialecto anglese de Northumbria in le periodo medieval ma que monstra le influentia de disveloppamento independente durante le periodo ante 1603 quando Scotia esseva un stato. Le vocabulario independente es multo grande^[1] e include parolas de origine anglese, francese, latino, flamingo, norvegiano e gaelico.

Numero de parlantes

Il es difficile determinar con precision le numero total de parlantes de scots, ma le population estimate (GRO Scotland 1996^[2]) es c. 30% del habitantes del pais (c. 1.5 millones). Hodie le majoritate del burgesia in le citates parla anglese. Tante alteres parla un mixtura de anglese e scots.

Territorio traditional e dialectos

Le territorio in qual se parla scots ("Lowlands") se extende traditionalmente super approximativamente le medietate del superficie total de Scotia. In alcun zonas del nord e west — le terras alte ("Highlands") e le insulas occidental — se conserva le gaelico, un lingua celtic resimilante le lingua irlandese. Le territorio de scots in Scotia es dividite in quatro zonas dialectal: *Central Scots* (plus que 60% del parlantes), *Northern Scots*, alicun vices anque appellate *Doric*, (c. 30%), *Southern Scots*, e *Insular Scots*. Se parla scots non solmente in Scotia ma anque in le provincia irlandese de Ulster (c. 33,000 parlantes in Irlanda del Nord e le alteres in Donegal).

Le poeta le plus celebre in le lingua es Robert Burns (1759-96).
